

# NEW QUICKSHIP Program

Introducing our **Quick Ship Program\*** — designed to keep your hospital or operating room project on track **without the wait**. We understand that some installations can't afford long lead times, which is why we've made our most in-demand and critical products, including isolated power panels, **available with fast delivery**.

With **delivery in as little as 2-4 weeks**, you can **meet tight deadlines** and respond quickly to **urgent project needs** — all while maintaining the highest standards of safety and performance.

## Why choose our Quick Ship Program?

- Fast, reliable delivery in just 2-4 weeks
- Access to our most popular isolated power panels and accessories
- Ideal for urgent jobs, last-minute changes, or compressed project timelines

\*Limited to 10 panels per order. Select configurations only.

## Available products include:

Isolated Power Panels

Front Trim

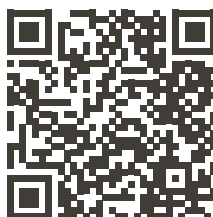

Backboxes

Transformers
